Resolution Outcomes

Evidence & Process Notes

All disputes triggered automatic escrow freeze within 2 minutes of filing. Evidence packages averaged 3.4 files per case (screenshots, Loom recordings, message exports). Admin review SLA target is 10 business days; average this month was 6.1 days. One case (DSP-0009) required external legal review due to contract value exceeding \$9,000.

Policy Reminders

- Disputes must be filed within 14 days of milestone delivery.
- Escrow is frozen automatically on dispute open and released only by admin action.
- Both parties receive 5 business days to submit evidence before admin review begins.
- Admin decisions are final; appeals require written request within 48 hours.
