Commission Summary

Platform commission rate: 5.0% of gross escrow value. Total commissions earned in July 2025: \$15,610. Commissions are deducted at point of release and transferred to the MGNNOVA operating wallet within 24 hours.

Escrow Status Breakdown

Audit Controls

- All escrow movements require dual confirmation: platform event trigger + admin approval for releases over \$10,000.
- Frozen escrow accounts are reviewed by admin within 48 hours of freeze initiation.
- Disputed escrow is held indefinitely until admin adjudication or mutual withdrawal.
- Commission deductions are logged immutably in Firestore with serverTimestamp.
